

ABORTION BRIDGE
COLLABORATIVE FUND

A PROJECT OF THE WOMEN DONORS NETWORK

What do we intend to fund?

ABORTION BRIDGE COLLABORATIVE FUND (ABC FUND)

- **Emergent** and **emergency** needs in **existing organizations** that are less likely to receive outsized grassroots support in response to the *Dobbs* decision
- **Rapid response funds** to bridge the gap between immediate needs and the ability of traditional foundations and philanthropists to incorporate abortion into their grantmaking
- Iterative work to **build capacity** for abortion access, provision, and practical support in legally protected states, and work to **build protections and response** for those at risk of criminalization for access, facilitation, and provision in lower-access states

How are we funding?

ABORTION BRIDGE COLLABORATIVE FUND (ABC FUND)

- In alignment with **reproductive justice values**, but with an explicit focus on **abortion**
- Under the guidance of an **advisory board** comprised of donors (individuals and foundations) and advocates from across the country
- **In conversation with other grantmaking organizations and funders**, so that organizations are having their needs met by the best partners most effectively
- Via **Women Donors Network**, but open to all donors
- **Quickly**, and **soon**
