Give By Stock and Wire Transfer:

- For stocks and wire transfers please contact Angela Bottum at abottum@womendonors.org.
- WDN needs to know who is giving stock and other important details in advance to clearly know where the stock is coming from.
- The same is true for wire transfers, especially when the name on the sending bank account isn't the same as the donor's name (could be spouse, donor-advised fund name, foundation name, etc.).
